By FML

"I'll take some wooden nickles," is the latest report from Houston, new home of NASA and many other attractions.

But Cameron's Western Week nickels of former years are a popular, if not rare topic of conversation.

So says Mrs. R. E. Holloway, former Cameron resident, who got a 1959 Western Week wooden nickel. She wrote The Herald this week, asking if any more were available. As it happened, we had a few left from one of the Western Weeks and returned some to her.

She makes some interesting observations, including: "I have met lots of people here, from Cameron, or if they weren't from there, they knew someone who was. So even if it is only a 'small town', it seems like almost every one you talk to knows about it."

It would seem from her remarks that there is a demand for old "wooden nickles" because our city cousins don't really believe there are such things. We're sure Mrs. Holloway would like more than the few The Herald had on hand. Her address is 1319 West 22nd; Houston 8.

MORE ABOUT TELSTAR

Services Conducted

For Will J. Simms

Will J. Simms, 74, of Texas City, formerly of Milam County died in a Veterans Hospital in Houston Friday.

Funeral services were held 2 p. m. Monday at the Marlow Baptist Church.

Simms was born at Burton and lived in the Marlow community for a number of years.

Surviving are his wife, a daughter, Miss Pearl Simms of Texas City; a son John Simms with the U. S. Army in Silvestre, Ga.; two sisters Mrs. Sallie Posey of Cameron and Mrs. Eva Nowell of New Mexico; two brothers, Frank Simms of Rosenberg and Jack Simms of Englewood and grandchild.

Green Funeral Home was in charge of arrangements.

The fantastic possibilities of communications became fact during the past two weeks with worldwide transmission of TV programs from the U. S., Britain, France, Italy, Germany and other countries.

Two hundred million people were likely impressed by the signal sent from the U. S. showing our wide - open prairies, the massive Gutzum Borgum figures of Washington, Lincoln, Jefferson and Theodore Roosevelt, the New York skyline, a Presidential news conference and other scenes of Americana. There were also scenes from a German steel mill, an Italian outdoor opera, among others.

We can imagine Mr. Khrushchev's dilemma in trying to shut out the sights and sounds of a free world. Communications people assure us the Telstar signals can be jammed, just like any radio signal. But it will pose an arresting problem for Soviet science to turn its talents further to the test of shutting out light, as it were, from a satellite age they started.

It will not be long until the English language will gain further currency in many of the new nations, simply because of Telstar. While wondering what universal language we will need for future generations, we think it a good guess that we're speaking it right now.

If the suppressed peoples are not impressed with the view of an American President being quizzed in public by hundreds of reporters, then there is no stirring of freedom that world politicians speak of. The contrast of the two Mr. K's, made possible by Telstar, should shed light on the blight of communism, which ultimately must stand or fall in the comparison.

Rogers Board Sets

Budget Hearing

ROGERS - The Board of Trustees of the Rogers Consolidated Independent School District will hold the annual budget hearing for 1962-1963 August 2, at 8 p. m., according to the President of the Board, C. O. Gunter.

60 GUARDSMEN RETURNING HOME WITH 49TH UNIT

Sixty members of Milam's Company C, 3rd Medium Tank Bn, will be mustered out of active federal service in official mustering out ceremonies 4:30 p. m. August 9 at Cameron Armory.

Commanded by 1st Lt. Verner L. Wunsch, of Temple, the Milam Guard tankers will complete almost 10 months of active duty. The 49th was called into federal service Oct. 15, 1961.

Thirty - five men from Cameron and six from Rockdale make up the main strength of the Milam unit. Other men are from other Milam communities and Rogers. Reservists who had been called to bring the unit up to full strength were released from active duty this week.

Duty will officially end for the 49th tankers at midnight, August 9. When ordered to active duty, the 49th Division expected at least a year of active duty, but conditions in Berlin that caused the callup lessened and the Department of Defense ordered the early release date.

District 8 FB

Meeting Scheduled

The District 8 Farm Bureau quarterly meeting, which follows the 1962 Institute and July State Board meeting, will be held Tuesday at 2 p. m. in the First National Bank Building in Temple.

Following the regular meeting, a preparation meeting will be held for the district queen contest to be held in August in Taylor. Miss Lannette Laffere, daughter of Mr. and Mrs. Laurence Laffere, will compete for the district title.

Teenagers Return Too Hot To Swim?

From Okla. Trip;

Jones To Speak

Two Milam County teenagers returned to their homes in Cameron and Rockdale with a brighter look on the world and the problems of both youth and adults last week.

Bobby Jones, son of Mr. and Mrs. George Jones, Rt. 3, Cameron and Linda Miller, daughter of Mr. and Mrs. James Miller of Rockdale were the two students who were on the trip to Oklahoma Christian College, Oklahoma City, Oklahoma.

The two high school students were chosen in May to make the trip in a Milam Farm Bureau Citizenship Youth Program. Other contestants were Dorothy Solomon, Milam; Kenneth Unnasch, Thorndale and Shirley Lehmann of Thorndale.

Seventy - one young people from all over Texas made the week long trip to join others from Oklahoma and Kansas.

Jones, Yoe High School senior will speak at the Marlow Baptist Church this Sunday night. He will give a program on Good Citizenship. Officials of the church have stressed an invitation for all young people to hear him speak.

Quarterbacks See

Grid Film, Plan

Watermelon Fete

About 25 Cameron Quarterbacks reviewed a grid film of the West Texas State - Texas Tech game and planned a watermelon - swim party for Yoe gridders and a fete for their parents and membership in August.

Club president John B. Henderson, Jr., discussed the proposed change of the Quarterback Club into a school - year - long Booster Club, but approval was not voted upon until a larger group of Quarterback Club members were present.

Coach Roberts discussed briefly plans for the 1962 football year and introduced new basketball coach Joe E. Davis.

A full length film of the 1961 West Texas - Tech game was shown. It was a 16-14 squeaker win for Tech.

Plans were made for the watermelon - swim party for 1962 Yoe athletes.

Student Yearbooks

Arrive At School

The 1962 Yoe YHS Yearbooks have arrived at the school. Mrs. Richard Burke, sponsor of the annual staff, set Thursday and Friday, 9 to 11 a. m. and 1 to 4 p. m. in the Teachers Lounge at Ben Milam School for distribution of the annuals.

Mrs. Burke also asks all students to bring their receipts when picking up the annuals.

In And Out Of Church...

Pastor Asks For Reflection

The Rev. A. C. West, pastor of Cameron's First Methodist Church, Wednesday cited the need for saving things that needed to be saved outside the Church as well as those within.

He referred to American ideologies and way of life being threatened or undergoing drastic change.

Rev. West was introduced by Hinton Pruitt, program chairman. Rev. West listed several rights in which are losing identity and meaning in an "age of change."

74 Rights to individual initiative, 75 make money and share it as the 76 individual desires with his church 77 and other institutions, and the right 78 to pass on the residue to his heirs.

75 SAVE RESPECT

City Seeks Sports For Fun

A Staff Feature

Ninety - nine degree temperature this week even kept the swimmers out of local pools in the hottest week of the year.

The scorcher brought on a Sunday baseball game, a lot of driving, a few picnics, sunbathing rather than a sizzle in the local pools and other typical summer pastimes.

Things weren't as bad as in Austin, however, as the State Capital reported the longest dry spell in 64 years of weather records.

NATURAL LULL

It was a natural lull in Cameron and the Milam area following a traditional Western Week and pre-school vacation time.

Man, 48, Shoots Self Near Sharp

A 48 - year - old man is in a Temple hospital today for treatment of a self - inflicted gunshot wound. His condition is critical.

He is Ovel Lindhorst, 48, who is suffering from a gunshot wound between the eyes, according to Sheriff Carl Black. Lindhorst shot himself Wednesday morning at Sharp.

The weapon was a 22-cal. rifle, according to Justice Luther McDonald, of Milam Precinct 5.

Lindhorst, formerly of Fort Worth, was rushed to St. Edward in Cameron, then transferred to Scott and White Hospital, Temple.

Justice McDonald reported that members of the man's family, residents of the Sharp community, found Lindhorst, shot and bleeding, in his pickup near a tank. Lindhorst's father lives near Sharp.

Adults Organize 4-H Club Work

The Milam County Adult 4-H Leaders Association met Monday in Rockdale with 27 members present.

Max McClaren, chairman of the nominating committee submitted recommendations for officers. The following were elected:

Temple Man Buys

Cameron Theatres

Reed Whately, Temple, is the new owner of the Cameron theatres.

He made his purchase of the Preston Royal and 77-Drive In from Fred Smith of Belton. Smith bought the movie houses from Robert Scott this spring.

Aigner Brings In

First Grain Here

Hugo Aigner, of Ben Arnold, brought in the first load of grain last week.

He brought in 13,200 pounds that tested out at 14.6 moisture. Milam Grain Co., of Cameron, reported the first load in 1962's season.

Thorndale Reports

First Cotton Bale

Eugene Niemtschik of Thorndale brought in the first bale of Milam cotton Tuesday.

Last year's first bale was brought in by Frank Mikulec Jr. of Marak around August 5 with a Thorndale bale running second on August 8.

Niemtschik's cotton weighed 600 pounds.

Cameron municipal pool managers reported that swimmers were not swimming during the hot spell, but chose to roast in the sun. The toddlers came on out after 5 p. m. both at the city pool and at the Cameron Country Club pool.

Little League continued on its busy way with good crowds nightly to watch the some 300 youngsters in minor, little and Babe Ruth league competition.

Parking will be available at Cameron Field with the moving of the old frame library and GI School building from the adjacent land.

Summer league bowling continued at Cameron Bowling Lanes, officials there noted. And individual bowlers sought the air-conditioned haven to "beat the heat."

LOTS OF GOLF
Golfing was in full swing at Cameron Country Club's manicured nine - hole course. The heat failed to dim area enthusiasm for the well - kept fairway and smooth greens.

Tourist traffic was approaching a summer peak. Local gas stations reported heavy traffic during the month and quite a number of night travelers.

Temperatures ranged from Tuesday's peak of 99 to a week's low of 72. Average peak mark was 98, hot enough to make the crops head for a good year in cotton and maize.

A baseball game between high school boys and Ex-High School students and men of the city was played Sunday at Cameron Field.

The men skinned the boys 24-11. High school team members were Charles Staley, pitcher, Tom Fischer, Tommy Sanders, Berney Dusek, Mike Mikula, Carroll Gene Fuchs, Griffin Barrett, Eugene Schattle, Johnny Richter, Alvin Baggerly and others.

The Odds and Ends, men's team, was composed of Tom Kirk, B. F. Zajicek, Buck Wilkerson, Smith Barrett, Henry Schattle, Pete Kunz, Paul Kunz, Felix Matula, Pat Sanders, James Rettig, Ed Mueck, Roy Davis, Allen Schiller, Jim Edwards, Hank Horelica and others.

Referees were Grady Gill and Bill Tom Fischer. Other games are in the planning for night play.

LL Yankees Take First Place

The Little League Yankees, coached and managed by Jim Edwards, Nubby Moore and Harrison McLerran, placed first with eleven games won and one loss for the season.

They were honored Monday night with a hot dog picnic by the mothers of the players.

Graveside Rites

For Mrs. Vest, 88

Mrs. J. G. Vest, 88, died in Houston Tuesday. She was born and raised in Milam County and lived in Cameron until 1930.

Graveside services were held Wednesday 4 p. m. in Oak Hill Cemetery. Rev. A. F. Russell officiated.

Surviving is one son Jack Vest, two daughters, Mrs. Virginia Simmons and Miss Mary Orr Vest all of Houston; one sister, Mrs. W. O. Huie of Arkadelphia, Ark. and a nephew, Judge William C. Wallace of Cameron.

Explorer Scouts

Talk To Lions

About 35 Lions and guests attended the regular noon meeting of the Lions Club Monday at the Texan Cafe. The explorers of Post 54 presented the program.

Larry Schiller, Jimmy McGregor and Rodney Thorp explained exploring and some of the activities of Post 54. They also explained briefly the operation of a radio station and how sound signals are sent and received.

The explorer post was organized about a year and a half ago.

Thorndale Reports

First Cotton Bale

Eugene Niemtschik of Thorndale brought in the first bale of Milam cotton Tuesday.

Last year's first bale was brought in by Frank Mikulec Jr. of Marak around August 5 with a Thorndale bale running second on August 8.

Niemtschik's cotton weighed 600 pounds.

MURDER CHARGE

DUE HEARING

BEFORE JURY

A Fort Hood soldier will go on trial for murder 9 a. m. Monday in Milam District Court.

Pvt. Joe Kellough, 24, of Btry A, 6th Artillery, Fort Hood, will be tried on a charge of murdering William Samuel Swain, 21, of 1102 W. 10th St., in the early morning hours of March 31.

Dist. Clerk Grady Allen has issued a 100 - man venire call today for jury selection.

Pvt. Kellough is also charged with assault with intent to murder in the wounding of Robert Lee Milton, 37, of Rt. 1, Milam.

STREET 'SCENE'

Both the deceased Swain and the wounded Milton were wounded in a street shooting on Scott Street in Cameron. It took place in front of the residence of Dorothy Lemmons, 26, of 705 North Scott.

Kellough and another Fort Hood soldier, Pvt. Willie Lee Andrews Hawkins, 24, of the same Fort Hood unit, were involved in an argument that started between Milton and Miss Lemmons at the nearby Wagon Wheel cafe.

Kellough and Hawkins apparently walked with the woman to her home while Swain and Milton came by later in Milton's car.

MURDER WEAPON

The murder weapon is a 22-cal., seven - shot revolver. Bullets from the gun struck Swain in the stomach and Milton in the neck, grazing him.

Swain died in a local hospital about four hours after the shooting. Milton recovered from the neck wound.

Pvt. Kellough has been out on bond of \$7,000 while Pvt. Hawkins and Miss Lemmons, who owned the 22 - cal pistol, paid fines for illegal possession of a firearm.

Defense attorneys facing Dist. Atty. Jack Prescott are John B. Henderson, Jr., of Cameron and Bob Burleson, of Temple.

About a dozen witnesses have been subpoenaed for the trial.

Funeral Services

Held Tuesday For

Thomas Hairston

Funeral services for Thomas Allen Hairston, 39, were held Tuesday at 3 p. m.

Hairston died in Rockdale Sunday evening. He was born Jan. 20, 1873 in Milam County and had lived in this county all his life. He was a retired railroad section worker.

The Rev. R. H. Zurcher officiated from Green Funeral Chapel. Burial was in Milam Cemetery.

Survivors are two daughters, Mrs. Max Cook of Cameron and Mrs. F. L. Scheckels of Rockdale; two sons, A. J. Hairston of Rockdale and O. J. Hairston of Cameron; one sister, Mrs. A. D. Cannon of Beaumont; 23 grandchildren and 36 great grandchildren.

Palbearers were grandchildren.

Evan Receives

Driving Award

FORT WAINWRIGHT, Alaska (AHINC) - Army Pvt. Ladie J. Evan, 23, whose wife, Donna, lives in Dimmitt, recently received a winter safe driving award while assigned to the Yukon Command at Fort Wainwright, Alaska.

Evan received the award for his outstanding safety record during one of the most severe Alaskan winters, in which more than 90 inches of snow fell and temperatures were as low as 72 degrees below zero.

Evan, a driver in the command's Headquarters Company, entered the Army in September 1961 completed basic training at Fort Carson, Colo., and arrived in Alaska last November.

He attended Dimmitt High School. His parents, Mr. and Mrs. Laddie F. Evan, live in Cameron.

Farmers Responsible For Taxes, Social Security On Workers Wages

COLLEGE STATION — Farm and ranch operators who hire agricultural workers must deposit Social Security tax funds, when such tax amounts to \$100, reminds C. H. Bates, extension farm management specialist.

The employer - employee tax rate in 1962 is 6 1/2 percent, an increase over the 6 per cent levy of last year. Half of this amount or 3 1/4 percent can be deducted from the wages paid to farm employees.

Either of two tests apply, as previously, to determine those wages subject to the tax. The first test is \$150 in wages paid to an individual in a calendar year. The second test is having hired the same employee 20 days on a time basis, regardless of the amount of wages paid. So, when either of these situations apply, the tax is applicable and must be reported for the workers involved.

Federal regulations require that tax on agricultural labor be paid to the government whenever the amount due equals \$100, Bates explains. In other words, when a farmer employer has paid out \$1,600 in eligible wages, he should deposit the Social Security tax due on that amount in any commercial bank qualified as a depository for federal taxes. The money is sent by the bank to the Federal Reserve Bank in Dallas and a receipt showing amount paid is returned to the employer.

Farm employers then attach their receipts to their 1962 income tax return as evidence of payment of part of this year's tax obligation.

Bates urges farmers and ranch-

men to pay their taxes on hired labor when it is due and avoid the risk of paying a penalty. Good business records can be very helpful in keeping up with wages paid and taxes due, he concludes.

Cool, Refreshing Foods Dominate August Listings

COLLEGE STATION — Farmers are providing homemakers with a "bonus" list of plentiful foods for August, points out the Texas Agricultural Extension Service.

The "bonus" comes from the built-in "cool and refreshing" appeal of these foods — that is, their color, their texture and their natural goodness when served chilled.

Fresh peaches and cantaloupes top the August plentiful foods list, based on a survey of food stocks in this area by the Agricultural Marketing Service.

Fresh and processed lemons and limes as well as fresh pears and frozen orange juice are in much heavier supply than last year.

Turkey, always a star in cool and refreshing menus, is about as low in price as it has been in 2 years — especially at the farm level.

Both large turkeys for roasting and young turkeys for barbecuing are plentiful this month.

Many summer vegetables plus vegetable fats and oils complete the August plentiful foods list for this area. It will be to your advantage to shop often for the plentiful foods, concludes the Service.

County Agents Notes...

Disease Control For Lawn Care

By J. D. Moore
Milam County Agent

Properly managed lawns are less likely to be attacked by disease. If they are attacked, they are likely to recover more rapidly than are poorly managed lawns. When diseases occur on lawn grass, recommended chemicals should be applied as directed by the manufacturer. Through application of chemicals is necessary for good control.

There are several fungus diseases that attack St. Augustine grass. Brownpatch is one of the more common fungus diseases. Identified by careful examination of the roots of the affected plants. In a diseased condition, you will find a part of the root appearing a brown to darkened color while

a part of the same root may be green.

Insect damage to grass plants may be recognized also by close examination of the plant roots. Insect damage result in uneven or missing parts if the plant. Also, by the presence of insects. If insects are found, they should be identified and treated accordingly.

FUNGUS CONTROL

These diseases may be controlled by spraying the affected and immediate surrounding areas thoroughly with Actidione at the rate of 2 level teaspoons in one gallon of water applied to 200 sq. ft. of grass. The application should be repeated in 5 to 6 days for best results.

4 - H CLUB NOTES

By Pat C. Garner
Asst. Milam County Agent

Milam County 4-H members placed first, second and third in the District Heavy Litter Contest for the Waco State Area.

Albert Glaser, Buckholts 4-H Club had the first place. His gilt farrowed 12 pigs, raised 9 for a total weight of 455 pounds at 56 days of age. Larry Shenkir, another Buckholts 4-H member was second place. His gilt farrowed 11 pigs to a total weight of 407 pounds at 56 days of age. Arthur Jistel, St. Anthony 4-H Club, placed Third in the contest with litter weight of 405 pounds to 9 pigs at 56 days of age.

Other Milam County 4-H members who placed in the top 12 were Larry Praesel, 8th and Bernard Kostroun, 12th. Martin Mueck, Leon Hollas and Susan Abel also were entered in the contest.

These 4-H members were competing with 32 4-H club members from Bosque, Coryell, Falls and McLennan counties. Winning the first three places is a very outstanding accomplishment by Milam county 4-H members.

Beef Cattle Short Course Set At A & M

COLLEGE STATION — Texas beef cattle producers will stage a midsummer roundup at Texas A & M College, July 30-August 1, when they come in for the 12th annual Beef Cattle Short Course. They'll be rounding up information instead of cattle from the Animal Husbandry Department sponsored event.

According to Extension Animal Husbandmen Uel Thompson and L. A. Maddox, this year's short course will feature subjects of much interest to cattlemen. J. H. Knox, head of New Mexico State University's Department of Animal Husbandry and one of the nation's top beef cattle research workers and J. N. Wiltbank, animal physiologist from the USDA's Beef Cattle Research Station, Crawford, Nebraska, are the only out-of-state speakers listed for the short course. Wiltbank, according to the extension specialists, is an authority on research related to calf crop losses, nutrition as it affects reproduction and other closely related breeding problems.

O. J. Barron, a Spur, Texas, ranchman, will discuss his experiences with the use of different ranch operation systems. Other speakers are members of the staff of the sponsoring department or come from substations of the Texas Agricultural Experiment Station where beef cattle research is being done.

Thompson and Maddox believe that cattlemen will find the information practical and each will have ample opportunity to get answers to questions which may be causing them concern.

Registration for the short course is scheduled for 8 a. m., July 30 in A & M's Memorial Student Center. The formal program will begin at 9 a. m. and the Wednesday morning session will conclude the annual event.

COTTON REPORT

Harvesting continues to increase rapidly in the Rio Grande Valley and Coastal Bend territory. Cotton is making good growth with young cotton catching up. Interest in current ginnings is increasing. Generally, prices are off at most spot markets in the Area. Demand for domestic and export cotton is slack.

Harvesting in the Rio Grande Valley is increasing very rapidly as more machines go into operation. Defoliation has become general and the harvesting peak will be reached soon. The Harlingen shifting force was increased to two shifts in order to keep abreast of the fast moving ginnings. Picking in the Coastal Bend section is also moving forward rapidly. Private sources estimate 10 percent of the crop open in the Corpus Christi territory and 35 percent open in the Harlingen territory. First bales have been ginned at several points in the Austin territory. The Winter Garden cotton is beginning to open freely. August is expected to be the big harvesting month.

Cotton is making excellent growth and fruiting heavily. Young plants are growing extra good and prospects for a near normal crop is increasing in sections with late planting. Prospects for a bumper crop are the best in many years in much of the blackland territory. Some shower activity was prominent in many locations but general rains are needed in dryland territories; however moisture is sufficient in most places at this time. Insects are not a widespread problem as dry, hot weather and regular poisoning schedules have them under control.

Interest in current ginnings is stepping up. Trading is not booming but is increasing at a regular pace as ginnings increase. Cotton is selling well above the CCC loan prices in the Valley markets. The average going price for Middling 1 1/8 this past week was 33.55 for Valley cotton. Market activity for Coastal Bend cotton has been light.

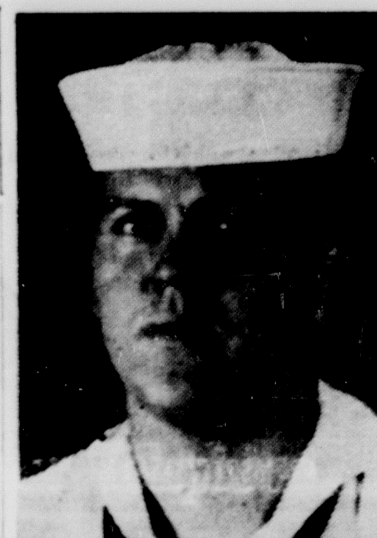

Cool Off With Chilled Consomme

What could be cooler for family meals and summer parties when the temperature soars than ice-cold jellied consommé? Sparkling amber in a chilled bowl, its very appearance tempts appetites. Dainty party sandwiches go so nicely with this chilled soup. . . rolled ones with cream cheese and jelly, meat or cheese . . . tiny rounds spread at the last minute. For dessert, a frosty fresh peach sundae, topped with a dash of whipped cream, is sensational. There's hardly any work involved in making this refreshing chilled soup. Place canned condensed consommé in the refrigerator until thoroughly chilled (about 4 hours), then open and serve in chilled bowls. Or, if you like, for a frothy look, whip it lightly with a fork just before serving. It's terrific right from the can, especially when garnished with any of these: Citrus rings, grated cheese, sour cream, chopped parsley, or chopped pimiento.

If you want to venture a step further and serve jellied consommé for extra-special guests, here is a variation to try:

Jellied Consommé With Melon Balls
1 can (10 1/2 ounces) condensed consommé
1/2 cup small melon balls (cantaloupe, watermelon, etc.)
Pour consommé into bowl; place in refrigerator until slightly thickened. Stir in melon balls. Return to refrigerator until completely jellied—about 3 to 4 hours. Serve in chilled bowls. Makes 2 to 3 servings.

Herman E. Koranek

Herman Koranek

In Mississippi

MERIDIAN, Miss. (FHTNC) — Herman E. Koranek, yeoman third class, USN, son of Mr. and Mrs. Jimmy F. Koranek of Rt. 1, Cameron is serving with Training Squadron Seven at McCain Field Naval Auxiliary Air Station, Meridian, Miss.

He was recently graduated from the Naval Justice School, Naval Base, Newport, R. I. at this school he received training in military law, law procedures and court stenography.

Koranek entered the service in September 1960. He is a graduate of C. H. Yoe High School in Cameron.

Milam ASCS

Report

The marketing - quota referendum on 1963 - crop wheat which was to be held on July 24 has been postponed according to Alva E. Sanders, county office manager of the Milam County Agricultural Service. Eligible growers will be notified if and when the referendum will be held.

Cotton producers are reminded that the Commodity Credit Corporation will take title to all 1961-crop loan cotton on which loans have not been repaid at the close of business July 31, 1962.

In accordance with the loan agreement, CCC will not pay for any market value the cotton may have in excess of the amount of the loan plus interest and charges.

Any loan notes sent to local banks for collection at the request of producers and purchasers of equities must be paid at the local banks by the close of business July 31. Any repayments by mail must be received by CCC or the local bank before the close of business July 31.

Through June 15, a total of 4,849,823 bales of 1961 - crop cotton was reported pledged for loans. As of the same date, 1,253,321 bales had been redeemed, which left loans outstanding on 3,596,502 bales.

Economist Takes A Look At Cotton Situation

COLLEGE STATION — Consumption of cotton by domestic mills during the season ending on July 31 is up but a drop of about 1.6 million bales in exports is expected to add about 500,000 bales to the August 1 carryover, says John G. McHaney, extension economist.

Total disappearance of American cotton during the 1961 - 62 marketing year — August 1, 1961 through July 31, 1962 — is expected to be about 14 million bales or about 900,000 below last season, points out the economist. The supply for the current season is estimated at 21.7 million bales or 400,000 less than for the 1960-61 season.

Mill consumption is greater than a year ago primarily because of a higher level of economic activity, says McHaney. Average price received by farmers for all 1961 cotton up to April 1, 1962 was 2.6 cents per pound above the 1960 average, and with the exception of 1958, was the best average since 1954. The value of lint and cottonseed was 10 percent above that for the 1960 crop and the highest since 1953, McHaney says. Current prices, he adds are largely a reflection of Commodity Credit Corporation loan redemptions.

During the first quarter of 1962, imports of cotton textiles were at a record level and represented 179,000 bales of raw cotton. U. S. exports of cotton textiles during the same period represented 113,200 bales and were about 16 percent below those for the first quarter of 1961.

In commenting on how well the American and especially the Texas cotton producer is faring, McHaney says the efficient producer, at current prices, is doing fairly well. Cost of production items, especially labor, continue to make the cost - price squeeze tight for most cotton growers, adds the economist.

Employment Tax

Return Due July 31

Employers were reminded today that July 31, 1962 is an important federal tax date. A. P. Andrews, administrative officer, Internal Revenue Service, Temple, said that date is the deadline for reporting and paying income and social security taxes withheld for the calendar quarter ended June 30.

Employers should use Form 941 to report their tax liability for that period and mail it, along with depositary receipts and full payment of taxes due.

Employers needing copies of Circular E, "Employers Tax Guide," may get it from any IRS office. This publication explains employment taxes, together with tables and percentage methods for figuring such taxes.

AUCTION REPORT

Cattle numbered 352, hogs 132 and sheep 6 at last weeks Cameron Livestock Auction sale. Prices paid were:

STEERS:		
Good & Choice Fed Steers	21.50	23.50
& Yearlings	19.00	22.00

WHAT LOSSES

Wheat growers who have experienced losses due to loose smut are advised to pick up a copy of a recent Agricultural Extension Service publication, L-564, "Controlling Loose Smut of Wheat" at the local county agent's office. Copies are also available from the Agricultural Information Office, College Station, Texas.

PIG ANEMIA

Baby pig anemia can often be controlled by feeding additives, or by injections given by a veterinarian.

WHEN COTTON INSECTS ATTACK

SOCK 'EM WITH SEVIN

INSECTICIDE

SEVIN is a registered trade mark of Union Carbide Corporation.

Outstanding control of bollworm, boll weevil, leaf perforator, salt marsh caterpillar and other cotton insects.

Safer than many other insecticides to workers and farm animals. No special protective clothing is needed. Does not delay maturity of cotton.

Economical to use because long-lasting residual action often makes 5-7 day spray schedule practical, even with heavy insect infestations.

Controls resistant, hard-to-kill insects that have developed immunity to many other insecticides.

Sprays and dusts for air or ground application.

BASEBALL ACTION

PONY LEAGUE

The Cameron Colts were defeated in Pony League this week when Rogers defeated them 15-11. Rosebud fell short one point to lose to the Colt team 2-3.

YANKEES 16 - INDIANS 3

The Little League Yankees outplayed the Indians in a 16-3 game last week. Pitchers for the Indians were Glen Fogle and Boyd Taylor while Johnny McLerran pitched for the Yankees. Mike Hensley hit the only homerun for the Yankees.

WHITE SOX 11 - CARDINALS 8
Damon Corona and Butch Bryan pitched the White Sox to a 11-8 win over the Cardinals last week. Harold Hollas and Wayne Kirk pitched for the Cards. The only homerun was hit by Kirk.

YANKEES 11 - BEARS 2

The Yankees won over the Bears in a 11-2 game last week. Mike Hensley pitched for the Yankees while David Barrett pitched for the Bears.

INDIANS 18 - WHITE SOX 3

Mike Miller hit two homeruns and pitched the Indians to a 18-3 slaughter over the White Sox last week. Pitching for the White Sox were Butch Bryan and Damon Corona.

YANKEES 11 - CARDINALS 5

The Yankees outplayed the Cardinals in a 1-5 game Monday night. Harold Hollas and Wayne Kirk pitched for the Cards while Glen Bollinger, David Edwards and Mike Hensley pitched for the Yanks. Johnny McLerran hit the only homerun for the Yankees.

LITTLE LEAGUE PONY LEAGUE GAME

The Cameron Little League team and the Pony League team will play a double header ball game Monday at Rosebud. First game will be the Little League at 6 p. m. and the Pony League plays at 8 p. m.

Outdoors In Texas

By Vern Sanford

Like to fish for "whites"? Only a few short years ago the white bass (Lepomis chrysops or Roccus chrysops) was almost unknown to Texas anglers. But Mississippi River Valley fishermen had been familiar with this wonderful game fish for a long time.

In Texas, white bass apparently appeared first in Caddo Lake, then spread over the state.

Actually, these fish are direct descendants of the big saltwater striped bass. They adapted themselves to fresh - water conditions and thrived. Now they are found from the Great Lakes to Mexico, from Alabama through Texas.

Up to 5 pounds is claimed as a world's record for a white. However, no "official" record ever has been made.

This freshwater bass is a great scrapper. It strikes hard and keeps on scrapping until boated.

Whites are easy to recognize. They are a silvery color on back and sides, yellow white on the belly. Black stripes that are rather indistinct relieve the unbroken silver on each side.

Distinguishing marks are the medium long mouth set horizontally in a scaly, rather conical head. White bass fins are distinctly separated. A fairly high back along with a flat perch - like body give white bass even more distinction.

White bass, like still, deep water with a sandy, gravelly bottom. Usually the species is found in medium and large lakes and streams - seldom in small streams or tank ponds.

During February and March (and sometimes as late as April and May) the white bass in Texas move upstream looking for likely spawning grounds in shallow flowing water. Lake whites seek shallow stream inlets, while river whites prefer the sand bars.

Eggs are laid among rocks or weeds in very shallow water.

No attempt is made to protect these eggs when once deposited, nor even to build a nest. The female dumps her eggs apparently with no maternal feeling. When the job is done, she heads for deep water as fast as she can.

Females have been known to lay over half million eggs at one time. Once hatched, the young remain in shallow water until strong, then migrate to deep water.

In Texas, most white bass are found in big lakes such as Buchanan, Inks, Granite Shoals, Travis, Corpus Christi (Lake Mathis), Falcon (on the Mexican border) and of course Lake Caddo, their point of origin in Texas.

So common are white bass in most Texas lakes that it is not too far - fetched to claim that more than half of all game fish caught in the Lone Star State are of this species.

Schooling habits of the white bass, and the voracity with which it feeds, make for fantastic catches when the whites are running.

Hundreds can be caught from one big school once it is located.

How do you locate a school of whites?

Most fishermen on the big lakes cruise about, watching for concentrations of feeding seagulls. Once such a flock is found, the fisherman hurry to that spot.

If bass are there the surface will be rippled with thousands upon thousands of gizzard shad are feeding. The white bass are just beneath, gobbling up the shad.

Often the bait is grabbed the instant the gold or silver spoon, or an underwater spinning lure, starts flashing through the water. Fishing then is fast and furious until the school moves on.

White bass may be found almost anywhere that food is plentiful.

On warm nights try fishing with small live minnows. A lantern suspended over the water, from a boat or dock, will attract bugs. Fish are drawn to the area by the light and the bugs that fall into the water.

Small fish, crustaceans and insects from the major portion of the white bass diet. However, it doesn't take a biologist to inform Texas fishermen that this great game fish goes all out for gizzard shad.

White bass seldom live longer than four or five years. However, they grow fast. They reach a length of 12 inches, or longer, in two years from the date of hatching. Such fast growth, coupled with a short life span, makes for quick population turnovers.

However, they multiply so fast that strict bag limits are not necessary. So fish to your heart's content, for whites.

PERSONALS --

Mr. and Mrs. Clifford Walker of the Friendship Community have as guests their son and daughter-in-law, Mr. and Mrs. Clifford Walker, Jr. from San Francisco, Calif.

Mrs. Ethel Starling of Santa Monica, Calif. who is a guest of her mother, Mrs. W. H. Ezzell was joined here by her daughter Mrs. Evelyn Penny and grand-son Jerry Clinton also of Santa Monica who visited family members here and in Temple.

"Leaves! Leaves! When are you going to call the roofer in the Want Ads?"

Sunday guests of Mr. and Mrs. Sid Culp were their sons, Don and John Culp who are stationed at Fort Polk, La. and their families, Temple.

If you take your truck for granted

...it's a good one!

A truck that doesn't call for a lot of attention, that just does its job every day, is a great asset. This is the thing most users tell us they like about Chevrolet trucks—their reliability. And this, of course, comes from quality. Sound engines, strong frames, double-wall construction, insulated cabs, separated bodies

and cabs, tight tailgates... are some of the features that help Chevrolet trucks work longer and bring back more of your investment at trade-in.

If you wish you had a truck that cost you less thought and attention, put your money on quality. Make your next buy a dependable Chevrolet truck.

Friday Tea Honors Dorothy Russell

Miss Dorothy Annette Russell, bride-elect of Grover C. McCullin, was honored with a tea Friday, 4:30 to 6:30 p. m. at the Fellowship Hall of the First Methodist Church.

Hostesses were Mrs. John B. Henderson, Mrs. Herbert Colburn and Mrs. John B. Henderson, Jr.

The hostesses greeted guests at the door and alternated at the receiving line composed of the bride-elect, her mother, Mrs. Aubrey F. Russell, Mrs. Albert W. McCullin and Mrs. G. C. Lucas, mother and grandmother of the groom-to-be.

Inviting the guests to the register were Mrs. John C. Martin and Mrs. F. H. Scarborough.

Miss Lanette Russell, sister of the bride-elect, and Miss Joyce Smalley, presided at the register. The register table was covered with a floor-length white satin cloth overlaid with embroidered white organza. A silver and crystal compote held an arrangement of white gladioli. More than 200 guests registered in the bride's book.

Mrs. Bill Burns and Mrs. Frank Luecke invited guests to the tea table. Mrs. Carroll Green and Mrs. E. J. Burkes were in charge of the serving of refreshments.

The table was covered with a white embroidered linen cloth. All table appointments were of silver and crystal. The centerpiece was an antique epergne filled with white stock, pom pom mums, queen Anne's lace and leather leaf fern.

Fruit punch, individual cake squares and nuts were served. Assisting at the punch service during the afternoon were Mrs. Albert W. McCullin, Jr., sister-in-law of the prospective groom and Mrs. John Davis. Serving the cake were Mrs. Lester Williams and Mrs. E. O. Smith, Jr. Assisting in serving refreshments were

E. E. Pool Given Birthday Party

E. E. Pool, 86, of Jones Prairie celebrated his 86th birthday Wednesday. Mr. and Mrs. Wilson Pool of Freeport came to help celebrate the occasion.

Pool lives alone at his farm during the spring and summer months, planting and cultivating his vegetable garden. He raises fryers, and milks a cow and goat.

In the winter he lives with his daughter and son-in-law, Mr. and Mrs. Lester Turner of Cameron.

Attendants Named In Matula, Mondrik Wedding August 4

Bridal attendants for the wedding of Miss Rose Mary Matula, daughter of Mr. and Mrs. Charles J. Matula of Cameron and Albert Frank Mondrik, son of Mr. and Mrs. Lincoln M. Mondrik of Cameron have been announced.

Mrs. Benny Massengale, sister of the bride-to-be, will be Matron of Honor. Other Bridesmaids are to be Mrs. Gene Newman of Dallas, sister to the future bridegroom and Miss Elizabeth Hrozek of Austin. Jr. Bridesmaid will be Miss Jeanie Hrozek of Cameron and Little Miss Bernadette Hrozek of Houston will be flower girl.

Joseph Lincoln Mondrik of Temple will serve his brother as best man. Groomsmen will be Gene Newman of Dallas, Jerry Malina of Temple and Melvin Joe Provasek of Cameron. Master Charles Randy Massengale of Cameron will be ring bearer.

Ushers will include Jack Northam of Belton, Bill Cearley of Freeport, Vicky Hrozek of Houston and Benny Massengale of Cameron.

Miss Catherine Mikula of Austin will be organist, and the Saint Monica's choir will sing.

Members of the houseparty are to include Miss Catherine Mikula, Miss Dolores Zalesky of Huntsville, Mrs. Bill Slavik of Cleburne, Miss Gerry Zolt of Waco, Mrs. John David Thompson, Miss Pat Matula, Miss Rita Vessels, Miss Gloria Marek, Miss Diane Provasek and Miss Evelyn Wohleb all of Cameron.

The wedding will be August 4 at 9:30 a. m. in St. Monica's Catholic Church with Rev. John Geiser officiating.

Mr. and Mrs. Pete Mikula announce the engagement and approaching marriage of their daughter, Catherine Marie, to James Fontaine, son of Mr. and Mrs. Rodney Fontaine of Jones Prairie. The wedding will be 10 a. m. at St. Monica's Catholic Church. Both are Yoe High graduates. Miss Mikula is at present studying to be a lab technician at Seaton Hospital in Austin. Fontaine is employed in Austin.

Rose Mary Matula Given Bridal Shower

Miss Rose Mary Matula, bride-elect of Albert Frank Mondrik, was honored with a miscellaneous bridal shower Sunday at Simon-George Memorial Hall.

Greeting the guests at the door was Mrs. J. M. Evard. With the honoree in the receiving line were her mother, Mrs. Charles J. Matula and Mrs. Lincoln M. Mondrik mother of the future bridegroom.

Mrs. Louis Slavik registered the 125 guests in the bride's book on a table covered with a white linen cloth accented with a large bridal doll. Mrs. Benny Massengale sister of the bride-elect, registered the gifts which were arranged for display by Mrs. John David Thompson.

The gift tables were covered with white cloths and centered with an arrangement covered with white ribbon bows and a picture of the future bride and groom under an arch of lily - of - the - valley.

The brides chosen colors of aqua-green and salmon were carried out in the decorations. The bride's table was laid with lace cloth over aqua green and centered with a bridal doll standing under a white ruffled net umbrella with white wedding bells. Appointments were silver and crystal.

Included in the houseparty were Miss Henrietta Richter, Miss Jeanie Hrozek, Miss Diane Provasek, and Miss Pamela Mitchan.

Hostesses were Mrs. J. A. Provasek, Mrs. J. C. Marek, Mrs. Steve Hrozek, Mrs. Ervin Hrozek, Mrs. L. J. Matula and Mrs. J. M. Evard.

Burlington — Herman Dorners Entertain With Barbecue Sunday

By Mrs. George Logan

Guests of Mr. and Mrs. Herman Dorners, Sr. Sunday for a barbecue dinner were Mr. and Mrs. Leonard Pelzel and family of Burlington, Mr. and Mrs. Alvin Weige of Ben Arnold, Mr. and Mrs. Sonny Dorners and family of Burlington, Mr. and Mrs. Melvin Dorners and family of Cameron, Mr. and Mrs. Lee Gerengross and family of Burlington and Mr. and Mrs. Eugene Hoff of Burlington.

Mrs. Bruce Crook and two children of Rockdale spent Wednesday night here with her parents Mr. and Mrs. Robert Wied.

Mr. and Mrs. Lee Gerengross and family were guests of Joe Holcek Thursday night.

Marla Gay Frerichs, daughter of Mr. and Mrs. Bill Frerichs of Temple is spending a few days here with her grandparents Mr. and Mrs. Ollie Ernst of Rosebud while her parents are on vacation.

Mrs. Charlie Litzman of Burlington and her sister Alta of Stephenville, Mrs. Tillie Hickey and Blanch Hickey of Stephenville are in Houston and Freeport for a fishing trip.

Mrs. Charles Garner of Austin and two children are visiting here with her father, Charlie Litzman.

Mr. and Mrs. Johnnie Fuchs of Waco attended the Jim Hawk funeral at Rosebud and visited Mr. and Mrs. Herbert Engbrok and Leeland last week.

Mr. and Mrs. Raymond Pimpler of Ben Arnold and Mr. and Mrs. Paul Olbrich and family were guests of Mr. and Mrs. Herbert Engbrok Wednesday.

Mr. and Mrs. George Barkameyer of Burlington were guests of her parents, Mr. and Mrs. O. W. Becker of Sneed-Kasner last week.

Joseph Futschik, who fell at the home of his grandmothers Monday spent a few days in a Cameron hospital.

Mrs. T. J. White and son Mark of San Antonio were here last weekend. Mark spent a week here with relatives.

Thomas Polk was here on a three day leave from Camp Polk with his wife and other relatives.

Mrs. Roy Lindsey, Mr. and Mrs. Marion Reeves were in Caldwell last week for a visit to relatives.

Mr. and Mrs. Daniel Johnson of California were here at the home of Mr. and Mrs. Roy Lindsey last week. Mrs. Emma Evans of Marlin accompanied them from Dallas. The Johnsons, Mrs. Lindsey and Mrs. Evans were classmates in Buckholts School.

Mr. and Mrs. Billie Wayne Marek of Dallas were guests of his mother Mrs. Aleta Marek and his brother Mr. and Mrs. Walter G. Marek and family.

Mrs. Roy Schonhoef was in Waco last week for a visit to her sister Mrs. Harry Chollett and children.

ZENITH HEARING AIDS
NOW PRESCRIPTION FITTED

Zenith has always made good Hearing Aids but were sold over the counter like a sack of sugar. But, now you are given a complete hearing test and the Aid fitted to your hearing loss. The biggest part of this news is the price. There is no increase in price for this professional service. Zenith not only makes the finest body type Aids, but also makes beautiful slim Hearing Glasses and the little Aid that goes behind the ear. With this news people that can wear Hearing Aid but don't have the money to invest in the high priced Hearing Aids, can now enjoy wonderful hearing. Easy credit terms to let you pay as you hear.

Of course for the people that have real serious hearing problems we still have the Custom built Hearing Instruments. (not Hearing Aids) These are for the people that are unable to wear Hearing Aids. We have been able to make hundreds of people hear again since we introduced the Custom built Hearing Instruments to the people of Central Texas about 1 1/2 years ago. With the Custom built Hearing we are able to save you from \$50.00 to \$150.00 compared to prices people have paid for their Aids. It would be worth your time to come into our field Clinic held in or near your city, or come to our new office in Temple for a complete hearing test with the new Otis Evaluator. Its the machine that tells the complete story about your hearing. Then you would know if you could be helped. The tests are free.

Mr. Treadway who is an Audiologist (not a hearing aid salesman) will hold his regular Hearing Clinic at the Cameron Hotel in Cameron Monday, July 30th from 10 a. m. to 1 p. m. We can test you in your home after 1p. m., if you call Cameron Hotel and request us to.

Our new office is the only one of its kind in this part of the country. We do repair service on all makes of Hearing Aids and save you money. We will save you money on your batteries, cords, ear molds, etc.

Mr. Treadway is in the Temple office every Thursday and Friday if you had rather have your test in the office.

GROUND CARE

Purdue University agronomists say a light top dressing of manure on thin, light - colored soil protects legumes being seeded in wheat. It should be applied in February when the ground is frozen, they say.

REPORTABLE DISEASES

Reportable diseases in Milam County for the week ending July 21 were three measles, seven whooping cough, eight strep throat, one infectious hepatitis and one Gonorrhea according to Dr. T. E. Crump, acting director of the Milam County Health Department.

Will Rogers Said:

'Take Away My Breakfast, But Not My Newspaper'

Will Rogers' witty humor was renowned for the truth which it contained. People always laughed when Will started talking, but they finished up by slapping their knees and saying "By golly, he's right!"

The Clark County (Kan.) Clipper recently reprinted the following remarks which Will once made concerning the value of America's hometown newspapers:

Take away my ham, take away my eggs, even my chili but leave me my newspaper. Even if it has purely local news as 'Jim Jones came home last night unexpectedly, and bloodshed ensued,' or 'Jess Bushyhead, our local M. D., is having one of the best years in his career, practically speaking -- but

they just won't pay him when they get well,' the county seat was packed yesterday with prominent people from out-of-town, attempting to renew their notes, and 'election ain't far off, and everybody is up for office that can sign an application blank.'

"Now all that don't seem much news to you. But it is news, especially when you know the people and they are your own folks. So, no matter how punk you think your local newspaper is, why just take it away from you a while and see how you feel. The old newspaper, I think, is about our biggest blessing."

"So let's all read and be merry, for tomorrow the paper may not have enough ads to come out."

-- The American Press

noring some right in front of you, like a sagging front gate. You need something close at hand to practice on.

In some respects, this may not be considered sound, but it's comfortable.

Yours faithfully,
J. A.

THE OLD PHILOSOPHER

Philosopher Finds Himself At Mid - Summer With Everything Done He'd Planned

Dear editor:

I walked down to my mail box the other morning mostly out of habit and discovered a neighbor of mine had a flat tire right in front of it and was working furiously to fix it.

"Worst time on earth to have a flat," he said. "Got a thousand things to do today. Here it is the middle of summer and I haven't done a fourth of the things I'd planned."

I helped him change tires, that is, I told him he was turning his lug wrench the wrong way if he expected to get the lugs off, and I waited around and advised him to turn it the other way when he was putting his spare on. Nobody should get so busy he can't help a neighbor out.

At any rate, after he left, I came on back to my house and sat down on the front porch and got to thinking. Here it is indeed the middle of summer and I have done everything I planned to do. You take my front gate, it's still off its hinges and propped up against the fence like it was last year, but the difference between me and my neighbor is I hadn't planned to do anything about it. I never promised myself anything in regard to it. I see no use in coming to the end of the summer with not only a broken gate but a broken promise also. No use straining yourself trying to keep both your fences and your character intact, and if you can't do both, put your character first.

A lot of people over the years have asked me why I don't fix that gate and I'll tell you why. To live satisfactorily in this world, a man has got to learn to put up with imperfections. If you're going to have a compulsion to fix everything that's wrong in this world, you'll be swing a hammer right and left from now on, and the way

to avoid this, to steel yourself against the imperfections in the rest of the world, is to get used to ig-

A Plan To Get Us There...

Everyone is doing it... because it is a necessity.

By recognizing need for improvements, the City of Cameron, the Cameron Chamber, The Cameron School Board, the Milam Commissioners Court, most businesses, The Cameron Country Club, all are taking a broad view in future planning.

Three levels of community and county leadership are joining interest, in the development of an industrial organization in Cameron... the City, the Chamber and the County Commissioners. They met the other day with an industrial expert from the Texas Industrial Commission.

Out of that meeting will likely come the founding of a broad industrial movement in Cameron that could easily extend to other Milam towns.

What is significant about that meeting and others is the emphasis on looking ahead, on planning, on a "big picture" approach to the growth problems of the Cameron - Milam community.

The school is studying long - range improvements through - out its academic and athletic life. The Chamber is working to bring the necessary talents together to spark industry as it has started interest in Operation BIG. (Blackland Improvement Growth) in agriculture's behalf.

The city is continuing improvements in sewerline and street improvements, mostly on a "pay - as - you - go" plan, but it is moving generally with a broad view of future Cameron needs.

Modernization of business proced-

ures, as well as store-fronts is a continuing process here. One begins to realize that broad planning is the byword of modern Cameron and Milam County life.

Milam farmers are using more mechanization, more fertilizer, more skills in making a profit, not just making "ends meet."

It is apparent that from this groundwork of projected growth should come a "masterplan" somewhat like the Chamber, the City, and the County have instituted in their combined industrial meeting.

We should not only inform one another over a cup of coffee, but we should consider the possibility of a master plan for community development and save possible duplication and misunderstanding. It can be done; it has been started; it is a natural result of individual unit planning.

We recall the close co - ordination of the School, the Cameron Library and the City in working out arrangements for a library drive last year. It culminated in removal of the library to a new location and ultimate dismantling of the antiquated quarters.

This can be applied in location of industry, of building more streets and sewerlines, of solving the Courthouse Square problem, of further improvement of rural roads into and around Milam communities, of raising money for the United Fund, for many things.

A "master plan" idea not only can keep us going, but can give us a design of what it will be like when we get there.

State Buildings Get 1-2 Names

By Vern Sanford

AUSTIN — In an effort to "prevent confusion to occupants, mailmen and the public" when the second of two sleek, pink marble State Office Buildings on the Capital grounds is completed soon, the State Building Commission renamed them after famous Texas patriots.

First State Office Building -- generally referred to as "S. O. B. No. 1" -- now is designated as the Sam Houston State Office Building; the second, called "S. O. B. No. 2" was named after John H. Reagan, first chairman of the Texas Railroad Commission and Postmaster General of the Confederacy.

LICENSING STUDY SCHEDULED
House Speaker James A. Turman named Rep. Will Smith of Beaumont chairman of a new Committee to study operations of Texas' Examining and Licensing Boards.

Reps. Sam Collins of Newton, Ben Atwell of Dallas, Don Gladden of Fort Worth and Travis Peeler of Corpus Christi will serve on the committee.

Study group was set up to effect "an even greater understanding between the licensing boards and the Legislature," Turman said.

Objects of their research will be the 23 State examining and licensing boards organized for the purpose of testing every prospective practitioner of plumbing, law, cosmetology, medicine, barbering or hairdressing and 18 other professions and trades in Texas.

TEXTBOOKS PUBLICIZED
State Commissioner of Education J. W. Edgar sent a list of 203

textbooks, offered for adoption by Texas schools, to all county and independent school district superintendents, and recommended that the list be publicized so the public will know it's available.

Textbooks are those which the State Textbook Committee is studying for the 1963 - 64 school year. Number must be sifted down to 82 by October. This approved list then will be turned to the State Board of Education.

Between September 1 and 15, the committee will hear any objections private citizens may have to the books. Last fall, there were plenty of protests.

Major complaint was that the objectors didn't know which books were being considered in time to examine them fully.

STRONG VOICE SILENT
When the Texas Railroad Commission held its monthly hearing to determine the August oil allowable, representatives from the major companies and independents were heard, but the strong voice of Commissioner Gen. Ernest O. Thompson was missing.

As one oilman after the other went up to urge a low eighty-four allowable, no member of the Railroad Commission challenged them. If "the General" had been there, he might have done so, but he was seriously ill in his home in Amarillo.

PROPERTY TAX STILL LOW
The State's Automatic Tax Board kept to the lowest legal minimum when it set the State ad valorem tax rate for next year at 42 cents on each \$100 valuation.

Tax boards have kept the State's property "tax take" down to the minimum for several years now. It was up to 77 cents per \$100 valuation before a 30 - cent general revenue tax was abolished in 1951.

BU Grads Join Yarborough Staff

WASHINGTON — Two 1962 graduates of Baylor University have joined the Washington, D. C., staff of Senator Ralph W. Yarborough, Dem. - Texas.

They are: Miss Linda Willy, daughter of Mr. and Mrs. Raymond H. Willy of Cameron and Miss Carole Jean Moore, daughter of Mrs. Charlotte Moore and the late E. H. (Gene) Moore of Waco.

Miss Willy obtained a bachelor of arts degree in elementary education at Baylor, where she was elected "Most Representative Senior Woman." "Outstanding Senior Woman" and permanent senior class secretary in 1962, and was listed in Who's Who in American Colleges and Universities in 1962.

She was a member of the Baptist Student Union Executive Council and the Student Congress and held offices in both organizations. Miss Willy graduated from Lampasas High School in 1958.

Miss Moore, who graduated from Waco High School in 1958, was business manager and one of the editors of the Wacoan, the school paper. She received a bachelor of business administration at Baylor, where she served as Historian of Phi Beta Mu, a social service club. Her major was business and education with a minor in economics.

Letter to the Editor
The Cameron Herald

Sirs:
The Cameron Couples Club wishes to take this means to thank everyone who helped to make the Variety Musical Show during Western Week a success.

We especially want to thank Uncle Henry Shod, the Nomads, Don Edmonds, Joe Lee Heitman, Mona Zolt, Betty Shuffield and Debbie Brashear, who entertained; winners of the twist contest and the WW Queen contestants who appeared; Bill Crockett, proprietor of the 'Saloon'; Mrs. Barbara Smitherman, who worked with the Couples Club in co - ordinating activities; The Cameron Herald and Cameron Radio KMIL for a fine job of advertising the events; all others who gave a helping hand and/or needed stage equipment; and to the hundreds of spectators who attended. (What's a show without an audience.)

We thought it was interesting that, of all the people asked to help in some way, there was not a single one who refused.

The Cameron Couples Club.

YEARS OF SERVICE

Since 1912, Texas Power & Light Company has provided dependable, low-cost electric light and power service for all the needs of the homes, businesses, farms and industries in North, Central and East Texas it serves. At the same time, it has continuously planned and built its facilities to keep pace with the steadily increasing electric power requirements of the area.

Today, the Company serves more than 380,000 customers. The Company's construction of improvements and additions to its generating plants and lines is well ahead of customers' actual needs, and plans are "on the drawing boards" for the electric power needs for more than ten years in the future.

Past record and present performance... these are evidences of Texas Power & Light Company's ability to provide all of the electricity needed by all of its customers in the years to come, and this service is provided through the use of private investments. Not a penny has been advanced by the government.

LEGAL NOTICE

INVITATION FOR BIDS

The Board of Trustees of the Thorndale I. S. D. extends an invitation for sealed bids on the following properties located at San Gabriel, Texas:

1. Two frame dwelling -- to be moved -- separate bids
2. School plant consisting of approximately 30,000 sq. ft. together with approximately 9 acres of land.

Bids should be marked "sealed bids" and filed with the Secretary of the Board on or before 7:00 p. m., Monday, August 20, 1962, at which time bids will be opened. Each of the above sales to be for cash to be paid upon delivery of evidence of conveyance. Each bidder will enclose good faith deposit by cash or cashier's check for 10 percent of their bids. All such deposits will be immediately returned except that of the successful bidders.

The Thorndale Independent School District reserves the right to reject all bids.

Best Photographer

COLLEGE STATION — A stimulating talk by a Fort Worth newspaper editor and presentation of awards concluded the fourth annual Texas High School Journalism Workshop here.

Walter Humphrey, Fort Worth Press editor, told the 310 delegates that the pen is the mightiest weapon of all" during a talk on the journalism profession.

Bob Dymke member of the Yoe annual staff, received top award "Best Beginning Photographer."

Mrs. Nadine Parker of Rockdale visited Mr. and Mrs. Harry White Thursday.

Swanzy Receives

Lone Star Award

Robert A. Swanzy, storekeeper, employee of Lone Star Gas Co., was recently awarded a service pin for his service with the company.

Swanzy received a 10 year service award.

BOLLWORM CHECK

Extension entomologists are urging cotton farmers to keep a close check on their fields for bollworms and boll weevils. Both insects are on the increase and could cause a lot of trouble to otherwise promising prospects. Local county agents can provide information on control program.

To The Busy Housewife...

YOUR HOMETOWN NEWSPAPER IS A REAL CONVENIENCE!

A wonderful way for a busy young mother to save countless hours is by shopping the ads in her hometown newspaper. By knowing, before she goes to town, which products she wants and where to buy them, she can do an efficient job of marketing. While the housewife spends her time becoming an expert nurse, laundress, cook, playmate, and bookkeeper, the local newspaper is bringing her the shopping news. It tells her about the latest products and services that will help her accomplish her work most efficiently. It tells her where to find the best prices offered on items she needs. It saves her many long hours of "shopping around".

SHOP THE ADS IN YOUR
HOMETOWN NEWSPAPER!

Richer

"Yes, I'm a tither — and richer for it.

I hardly remember when I gained the conviction that God has special claim and purpose for one-tenth of a man's earnings. I only know that this expression of "honesty toward God" has been a contributing factor in the happiness of my life. "Giving" the tithe has become "second nature"—like the habit of setting aside money for any other worthy purpose, such as the insurance premium. I find tithing easy because I have made it the "preferred item" in the allocation of funds.

"When I say 'I'm richer for it', I simply mean that tithing (as a starting point in giving), is one of the things that enables me to have a 'good conscience toward God' who holds me accountable for my life and possessions.

"When I place the tithe in the church treasury, I often say with the Psalmist, 'All things come of thee, and of thine own have we given thee.'"

* * * * *

"Upon the first day of the week, let every-one of you lay by him in store, as God has prospered him."

1 Corinthians 16:2.

"Other foundation
can no man lay than
that is laid, which
is Jesus Christ!"
1 Corinthians 3:11.

Clarkson — Bruno Kaulfus Visits Relatives During Vacation

By Mrs. J. A. Blasienz

Mr. and Mrs. Bruno Kaulfus and daughters have returned home after spending their vacation here and at Rosebud with relatives.

Mrs. V. D. Dodd is visiting her daughters and their families in Ft. Worth.

Mr. and Mrs. W. B. Burnett of Jones Prairie visited Mr. and Mrs. Bill Harrison Monday night.

Mr. and Mrs. M. H. Behne and Mrs. Pearl Whitley of Waco have been recent guests of Mr. and Mrs. George Dodd and family.

Mrs. Joe Hawk and Mrs. V. W. Hawk made a trip to Austin Friday. Paul Hawk, a Texas University student, returned home with them to spent the weekend.

Mr. and Mrs. Bruno Kaulfus and daughters and Mrs. Amos Doskocil were visitors of Mr. and Mrs. Leonard Doskocil and children of Burlington Friday night.

Mr. and Mrs. Leon Ernst have been visiting her father Frank Janicek in a Cameron hospital. His condition is reported as serious.

Lonnie Dodd is visiting Larry Briggs in Ft. Worth and Scotty Richardson of Ft. Worth is visiting here with Glenn Dodd.

John Roberts, new Yoe High School head coach of Cameron, visited in the Amos Doskocil home Wednesday night.

Mrs. Ima Wimberly visited in Austin last weekend with Miss Jewell Wimberly and in Round Rock with Mr. and Mrs. Perry Strickler. She returned home Tuesday accompanied by Miss Wimberly who visited in her home and with other relatives.

Mr. and Mrs. Hubert Skala and Mr. and Mrs. Bill Harrison were Sunday guests of Mr. and Mrs. Howard Harrison and family in Marlin.

Seventy - Two At

Hightower Reunion

Seventy - two relatives were present for the Hightower family reunion in the Cameron Park Sunday. Nine original descendants of G. T. and Eva Davis Hightower and their families were present for the occasion.

Mrs. Leona Angell was the oldest. She is 78 years old and is the great grandmother of the youngest child present, Mary Jean Angell, daughter of Mr. and Mrs. Gene Angell of Cameron.

Benediction was given by E. J. Wheeler Jr. of Groves. Mr. and Mrs. Pat Hightower and family traveled the furthest distance from Groves.

Revival Meeting

In Rogers Church

Dr. Harlan Harris is conducting a revival meeting at the First Baptist Church in Rogers this week. Services are at 10 a.m. and 8 p.m. each day.

Dr. Harris, former classmate of Dr. Billy Graham, has been assistant pastor or pastor of churches in Washington D. C., Shelby N. C. and Plainview. At present he holds a DD degree from Wayland College at Plainview.

Dr. Harris is being assisted in the revival meeting by Rev. Clyde Herring, pastor of the Rogers church.

Billy Tumblin

Top Marksman

DARMSTADT, GERMANY (AH-TNC) — Specialist Five Billy G. Tumblin, 28, whose wife, Robbie, lives at 1106 Rusk St., Cameron, recently achieved recognition as a top Army marksman by qualifying for the expert marksmanship badge during range firing with the Army's new M-14 rifle in Germany.

The M-14 will replace the M-1 rifle, carbine, Browning automatic rifle and M-3 submachinegun. It packs the firepower of a light machinegun, can be fired both automatically and semiautomatically and fires the standard 7.62-millimeter NATO cartridge.

Specialist Tumblin, a heavy-equipment operator in the 547th Engineer Battalion's Company A in Darmstadt, entered the Army in May 1957 and arrived overseas on this tour of duty last January.

He is the son of Henry Tumblin,

Rogers FHA Has

Swimming Party

ROGERS — The Rogers High School Chapter of the Future Homemakers of America had a swimming party Thursday afternoon at Riverside park in Belton.

1962-63 freshman girls were honor guests of the Chapter. They will be enrolled as members in September.

The group was accompanied by their sponsor, Mrs. Myrtle Wood.
